

A CBN UK PRAYER GUIDE

I GIFT • I LIFE
1 MILLION

1 GIFT • 1 LIFE 1 MILLION

THIS ISN'T JUST A CAMPAIGN SLOGAN.

It's a vision. A movement.
A cry for revival across the UK and Europe.

Our prayer is bold!

To see one million disciples of Jesus made in the UK and Europe.

But we know this - before anything lasting is built in the natural, it must first be birthed in prayer. That's why, alongside our inspiring devotionals, we've created a prayer guide to help you stand with us. Together, we will lift our voices, intercede, and believe for a harvest of 1 million souls who will encounter the life-changing love of Jesus.

Each day, you'll be invited to read the devotional, reflect deeply, and then pray into the specific focus area. Step by step, prayer by prayer, we move closer to the vision becoming reality.

IT ALL STARTS HERE:

**1 gift can transform 1 life. And 1 transformed life can
lead to millions of lives saved for Christ.**

1 GIFT

Pray for a powerful spirit of generosity to sweep across believers in the UK and Europe. Ask that each person would joyfully take responsibility for the one - knowing that one gift has the power to multiply into a million.

Ask the Holy Spirit: What would You have me give into this life-changing movement? Pray for willing hearts to hear His voice and respond with bold obedience.

1 LIFE

Pray for those reached through Prison Ministry, Superbook Ministry, and Online Ministry. Ask that every message of the Gospel would land with clarity and conviction, igniting a life-changing response to Jesus.

Pray for fresh eyes to recognise the “one” right in front of us - friends, neighbours, colleagues, family. Ask for divine appointments and courage to share Jesus personally. Remember: to reach the million, we must first reach the one.

1 MILLION

Pray for audacious faith to believe for a million souls across the UK and Europe. Break off doubt, unbelief, and small thinking - declare that nothing is impossible with God.

Pray for a great wave of disciple-makers to rise up across nations, ensuring every new believer is rooted, equipped, and fruitful. Ask the Lord to cause the seed of the Gospel to fall on good soil, producing a harvest a hundredfold greater than what was sown.

FREEDOM BEHIND BARS

THE PRISON BIBLE PROJECT

Placing God's Word into the hands of prisoners has the power to change everything. Behind bars, where hope often feels out of reach, the light of Jesus can break through and transform lives forever. Our vision is to share this love and see 1 million people become true disciples of Jesus - and that includes those society often forgets.

Every person is deeply loved by God and in desperate need of His hope, healing, and forgiveness. Whether that individual is in prison for a life sentence or on remand, all need the love and nurture that Jesus so freely gives. Scripture reminds us: "I will give you a new heart and put a new spirit in you; I will remove from you your heart of stone and give you a heart of flesh" (Ezekiel 36:26). That transformation begins when someone encounters the truth of God's Word.

For just £3, you can place a Bible in the hands of a prisoner and help them discover the life-changing message of Jesus. Our prayer is to see 100,000 Bibles distributed in the coming years - each one a seed of hope planted in a life that may otherwise never hear the Gospel.

PRAYER POINTS

WILL YOU JOIN US IN **PRAYER** AND **PARTNERSHIP**, BELIEVING THAT GOD'S WORD CAN BRING FREEDOM EVEN BEHIND PRISON WALLS?

PRAY FOR HOPE TO RISE

That every man and woman behind prison walls would discover Jesus, the true source of freedom and the hope of the world.

PRAY FOR THE POWER OF GOD'S WORD

That every Bible placed in a prisoner's hands would open hearts, change lives, and shine light into the darkest places.

PRAY FOR TRANSFORMATION IN SOCIETY

That communities would see real change as the love of Jesus reaches those behind bars and those most vulnerable to despair or destructive choices.

SUPERBOOK UK

DISCIPLING THE **NEXT** GENERATION

As we work to equip children and families with God's Word - through media, schools, and after-school clubs - let's first lay a strong foundation in prayer. Every exciting step forward begins with lifting our vision to the Lord and seeking His power before we put plans into action.

Right now, we are raising funds to complete the translation of all 5 seasons of Superbook into British Sign Language. With season 1 and 2 complete, now more than ever we need fuel for the fire. Translating Superbook into BSL is a noble and groundbreaking task - one that will open the Gospel to children and families in a way that has never before been possible.

We are also developing school curriculums that weave Christian values and the life-changing message of Jesus into classrooms. Our hope is that children will not only learn about Him but also encounter His radical love in a way that shapes their lives.

And with greater financial resources, we will be able to offer families and churches free access to Superbook Academy. This incredible resource helps children engage with the Bible in an interactive way, while also strengthening faith at home and building healthy family rhythms.

EVERY GIFT HELPS MOVE THIS VISION FORWARD IN A TANGIBLE WAY:

£10,000 completes the BSL translation of all 5 seasons of Superbook.

£10,000 develops and launches the new Schools Curriculum.

£30,000 provides free access to Superbook Academy for 250 families and churches, reaching thousands of children at no cost to them.

But the impact doesn't stop there. When you choose to "pay it forward," you can sustain this ministry in the lives of children and families month by month. For just £120 per year - that's only £10 per month, £2.30 per week, or 33p per day - you can sponsor a family or church and help disciple the next generation. Our bold vision is to reach 50,000 children with the Gospel of Jesus Christ in the near future.

LET'S MAKE JESUS GO VIRAL

THE DIGITAL HOPE MISSION

Reaching Gen Z and Millennials with the Gospel is at the very core of our heartbeat at CBN UK. Through powerful media - videos, testimonies, digital altar calls, and discipleship content - we are determined to meet this generation right where they are and point them to Jesus.

God has blessed us with a talented team of storytellers, filmmakers, and digital creatives. But it's only through the generosity of our Founders, partners and donors that these life-changing projects can be brought to life.

WITH GREAT VISION COMES GREAT NEED.

Our goal is bold: to disciple over 500,000 young people online in the coming years. To see this dream fulfilled, we need prayer, resources, and the support of those who share this mission to ignite a digital generation with the love of Christ.

HERE'S WHAT YOUR SUPPORT MAKES POSSIBLE:

£25 → puts a Gospel video in front of 1,000 young people.

£100 → produces and promotes a powerful testimony.

£1,000 → funds one full week of outreach in a university city.

£10,000 → builds an altar call-to-discipleship journey for an entire region.

£15,000 → launches a 24/7 digital prayer platform, connecting seekers, intercessors, and new believers so that no one who responds online is left alone.

LETTING GOD LEAD

A KINGDOM CAMPAIGN

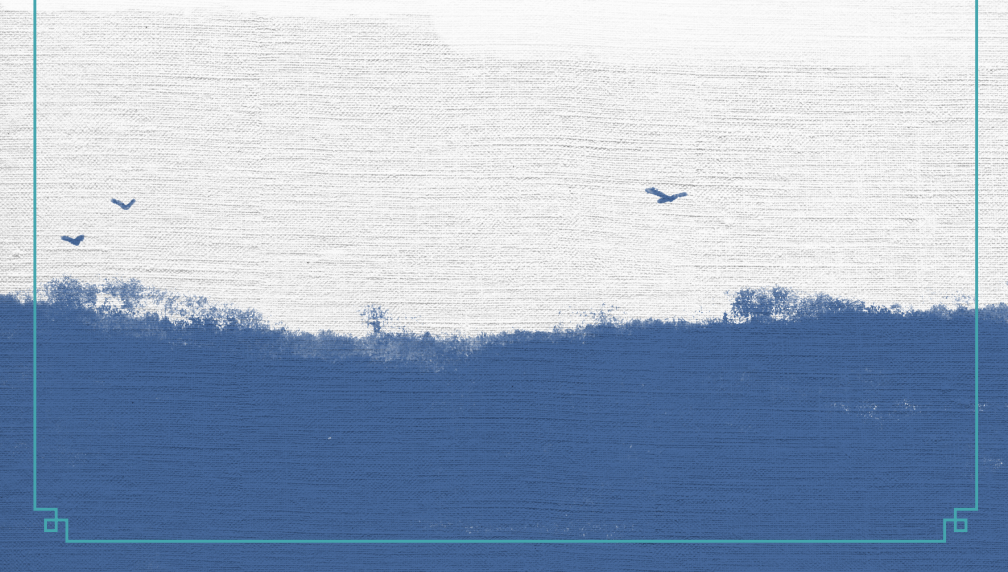

At this time of year, many voices are calling for support. But our heart is not to add to the noise or weigh you down with pressure. Instead, we want to share a vision of what God can do when His people come together - like the tree of life described in Revelation - bearing fruit that brings healing to the nations.

This is what makes this campaign unique: it is not about building earthly wealth. It is about bearing fruit that lasts. It is about lives transformed by Jesus. It is about seeing one gift change one life... until one million lives are introduced to the Saviour.

WE ARE NOT HERE TO GATHER FOR OURSELVES.

We are here to see God's Kingdom flourish - hearts healed, lives restored, and eternity changed.

As we close this devotional and prayer journey, may these final prayer points help you lean into God's leading. They may be some of the most significant prayers you pray this season.

Father God,

Thank you for our brothers and sisters who have been diligently reading through this resource over the past 5 days. We pray that you will have your hand of blessing hovering over them, that you would pour out from the heavenly resources all that they need. Bless them this winter season and may they always know the nearness of your Holy Spirit.

Amen.
